Comment: Given the source of the above report, we view it with some reserve. In this connection, we noted the 19 September issue of L'Unita, which reflected an article on King's private audience with Pope Paul held the preceding day. According to L'Unita, immediately after the audience, in St. Peter's Square, King stated that "Pope Paul was most clear on the fact that both he, personally and the Catholic Church support the cause of civil rights". The article also states that in a press conference held at Fiumicino Airport after the audience King said, "The Pope will shortly make a public statement on racial segregation". We have no other information at this time.
